Derwentwater, one of the finest of the English lakes, is three miles in length and rather more than a mile in width. The finest side view of the lake is from the neighbourhood of Friar's Crag. This view was considered by Ruskin as one of the loveliest in Europe.

By Appointment.
 for a King. It will give me to
 in at any time. I shall be
 in about 10 days. I shall be
 before, but don't get anything.
 ready for me. What does it mean?
 Thanks from the one

Thank you so much for
 your letter & very welcome
 present. I seem to be
 collecting money today, &
 shall find it very useful.
 I hope you can manage
 to stop at. I myself away
 on Monday for a week. It
 suppose Dad told you that
 he had suggested that day
 for my departure. I shall
 go up by the bus, but
 I don't know whether we
